- The information presented in this document is compiled from an anonymous survey of THP Solicitors partners and staff undertaken in June 2025 using a questionnaire prescribed by the Solicitors Regulation Authority (SRA).
- All firms regulated by the SRA are required to collect and publish their workforce diversity every two years to encourage equality of opportunity and respect for diversity within the firm.
- All of the partners and staff were offered the opportunity to provide their own diversity data by completing this questionnaire without any legal or regulatory obligation and 27.5% did so.
- The results are presented in compliance with the Data Protection Act.
- THP Solicitors is an equal opportunities employer, committed to eliminating discrimination and to promoting equality and diversity.
